Lagos State, Nigeria

Personal Detail

Phone Number: +2348108648372

Email: damilolaoni07@gmail.com

Personal Statement

A technology enthusiast with a solid background in applied science and coding. Demonstrates strong problem-solving abilities and analytical thinking to tackle complex challenges. Passionate about leveraging technical expertise to drive innovation and efficiency in dynamic environments.

Career Objective

- **Frontend Engineer Associate** *10/2023 - date*
Salesplat Technologies

- **Software Developer** *06/2023 - 09/2023*
SAIL Innovation Lab
 - Creation of information architecture in conjunction with interactive design visual design, and navigation development for next-generation web-based solutions.

- **Technical Officer** *01/2020 - date*
Daily Post Media Ltd
 - General website maintenance
 - Ad Operations
 - Site Performance Analysis
 - Social Media Manager
 - Graphics Design
 - Research and Data Analysis
 - Other IT-related tasks

- **Information Technology Instructor** *12/2018 - 12/2019*
New Horizons Computer Learning Centers
 - Trained students/clients courses such as:
 - Web Design
 - HTML/CSS
 - Python
 - Microsoft Office
 - Java
 - Prepared Junior and Senior students for WAEC
 - Prepared interested students for MOS certification

- **Physics Teacher**
Cherubim and Seraphim College, Sabo-Oke
Ilorin, Kwara State
 - Taught Junior and Secondary Students Physics
 - Prepared the students for WAEC

11/2017 - 11/2018

Education

Bowen University, Iwo, Osun State
B.Sc. Physics and Solar Energy
Second class (Upper Division)

11/2013 - 06/2017

Qualifications and Certificates

- Certificate of National Service, **National Youth Service Corps (NYSC)**
- Oracle Database SQL Certified Expert (OCE), **Oracle Corporation**
